Viget Labs
Washington Nationals Baseball Club

Thank you to the many GM families and community members who supported All Night Graduation by participating in our fundraisers and by volunteering tonight. Thank you to the City and FCCPS employees who made this event affordable and possible by providing the space, answering questions, and helping us reach out to students and ensure that all graduates were able to attend the event. Lastly, a huge thank the committee that spent many months raising money and awareness, recruiting volunteers, and planning this amazing event for the Class of 2019.
